INVESTMENT PROPOSAL

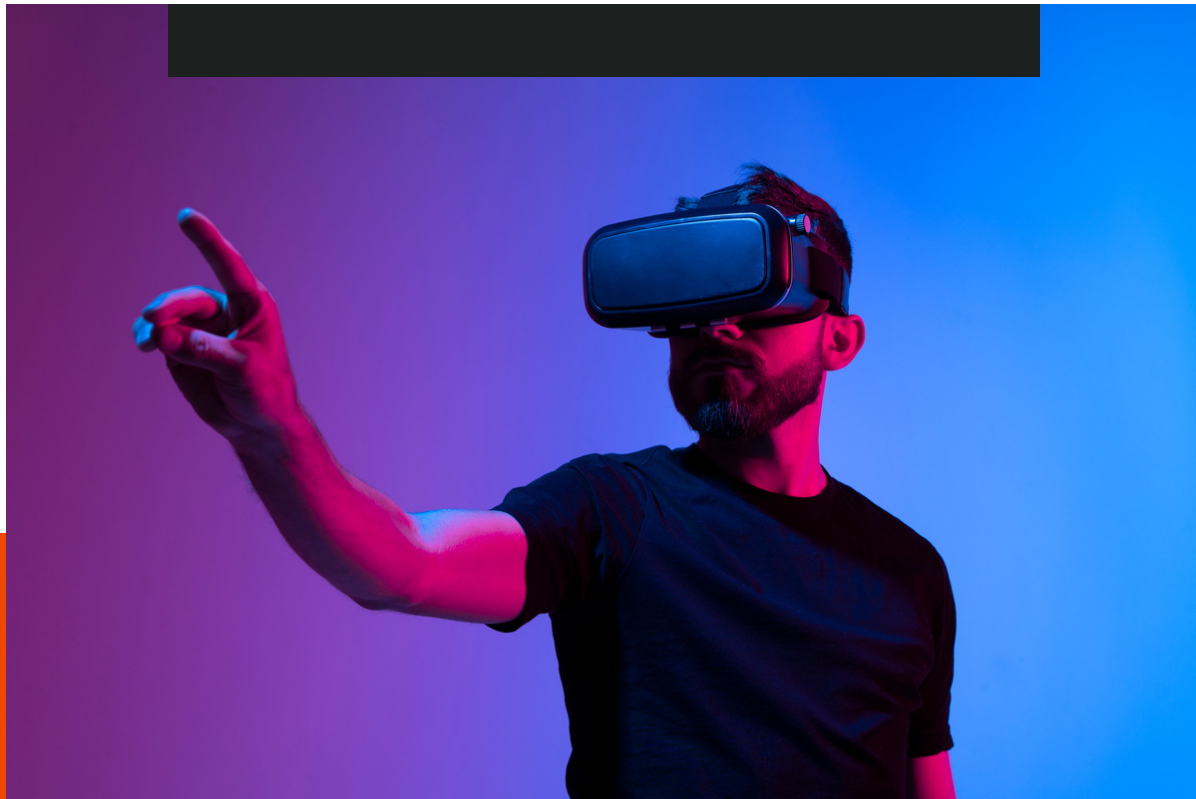

In the rapidly expanding universe of NFT gaming and digital investments, Makeverse stands as a beacon of innovation and opportunity. We are excited to present an exclusive investment proposal that offers potential stakeholders a chance to be part of our journey. With a proven track record of robust financial performance, cutting-edge technological advancements, and a clear vision for the future, investing in Makeverse is more than just a financial decision; it's an opportunity to shape the future of the NFT metaverse. Our proposal outlines a comprehensive strategy, detailing our plans for expansion, projected financial returns, and the inherent benefits of partnering with a leader in the NFT gaming investment arena. We invite you to explore this proposal and envision a future where gaming meets investment, all under the trusted umbrella of Makeverse.

#1 SELECT YOUR INVESTMENT RANGE

At Makeverse, we've designed our investment structure to be both inclusive and flexible, catering to a diverse range of stakeholders. Whether you're a newcomer to the NFT gaming investment realm or a seasoned aficionado, our platform welcomes stakes ranging from a modest **\$20 to a substantial \$20,000**. This approach ensures that every investor, regardless of their financial capacity, has the opportunity to be part of our pioneering journey in the NFT metaverse. Choose an amount that aligns with your comfort and vision, and join us in shaping the future of digital gaming investments.

THE FIRST STEP

#2 DIVERSIFIED INVESTMENT AND RETURNS

Once you've chosen your investment tier with Makeverse, our team takes the next crucial step. We strategically channel your investment across a diverse portfolio of metaverse and NFT projects. Our expertise lies in identifying promising ventures that not only align with the current market trends but also have the potential for substantial future growth. This diversified approach mitigates risks and maximizes potential returns. As a testament to our confidence and commitment, we offer our investors a daily return ranging from **0.5% to 1.5%**. What's even more compelling is that our goal is to provide returns up to three times the initial stake amount, ensuring that our investors reap the benefits of their trust in Makeverse.

THE SECOND STEP

PROCESS

At Makeverse, we've tailored our investment structure to be both inclusive and adaptable, welcoming stakes ranging from a modest \$20 to a significant \$20,000. Whether you're a newcomer or a seasoned investor in the NFT gaming realm, choose an amount that aligns with your comfort and vision.

Staking with BUSD (BEP-20)

1. **Initiate the Staking Process:** Navigate to our staking portal on the Makeverse platform.
2. **Select BUSD (BEP-20) as Your Preferred Token:** Ensure you have the required amount of BUSD (BEP-20) tokens in your wallet.
3. **Enter the Desired Amount:** Input the amount you wish to stake, adhering to the minimum and maximum limits set by Makeverse.
4. **Confirm and Stake:** After verifying the details, confirm the transaction. Your BUSD (BEP-20) tokens will be staked, and you'll become an integral part of our investment journey.

Earning and Withdrawing Profits

1. **Monitor Your Earnings:** Log in to your Makeverse account to track your daily returns, which range from 0.5% to 1.5%.
2. **Withdrawal:** Once you decide to withdraw your profits, navigate to the withdrawal section. Input your preferred BUSD BEP-20 address to receive the funds.
3. **Confirm and Receive:** After verifying the withdrawal details, confirm the transaction. Your profits will be transferred to the provided BUSD BEP-20 address seamlessly.
