

PITCH DECK

MAKEVERSE

WELCOME NOTE

”

**Good
Investment
is Good
Business**

Welcome to Makeverse's Pitch Deck, where the future of NFT gaming and investment converges. Dive in to discover the unique opportunities and vision that set us apart in the metaverse

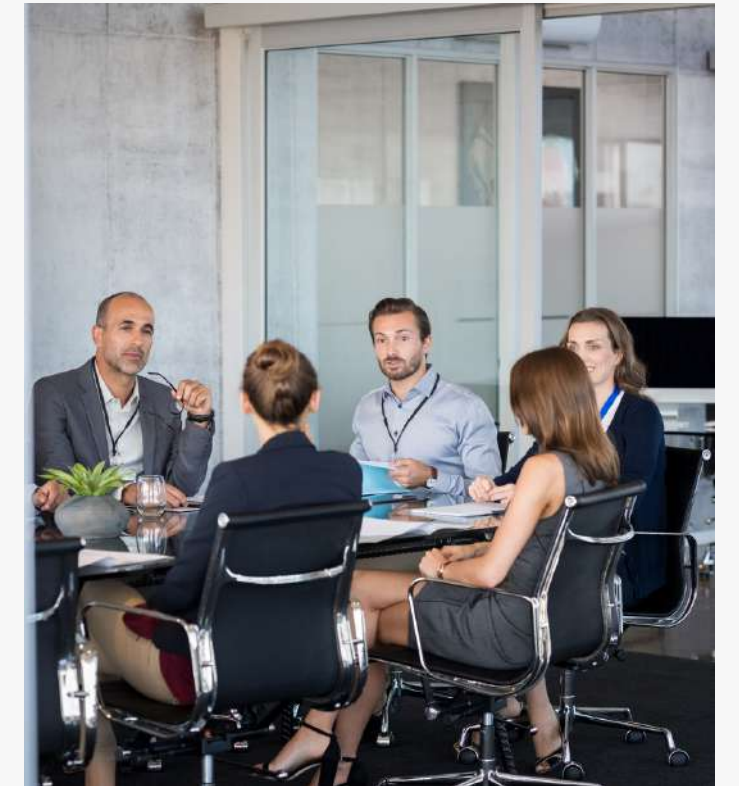

ABOUT US

Company History

Makeverse is the nexus of NFT gaming and investment, pioneering a unique platform in the expansive metaverse.

Founded in 2022, Makeverse has swiftly emerged as a trailblazer in the NFT gaming investment realm, bridging the gap between digital entertainment and financial growth.

MAIN GOALS

**Good Investment
is Good Business**

2030

Best Company

By 2030, Makeverse aims to be the global leader in NFT gaming investments, expanding our portfolio to encompass over 1,000 games and fostering a community of 10 million active stakeholders, all while driving sustainable growth and innovation in the metaverse.

OUR SERVICE

Discover the Essence of Makeverse: Where Gaming and Investment Intersect.

NFT Gaming Aggregator:

Dive into a curated collection of the best NFT games, handpicked for both entertainment and investment potential.

Strategic Staking Platform:

Stake with confidence, leveraging our platform's flexibility to maximize returns and minimize risks.

Metaverse Launchpad:

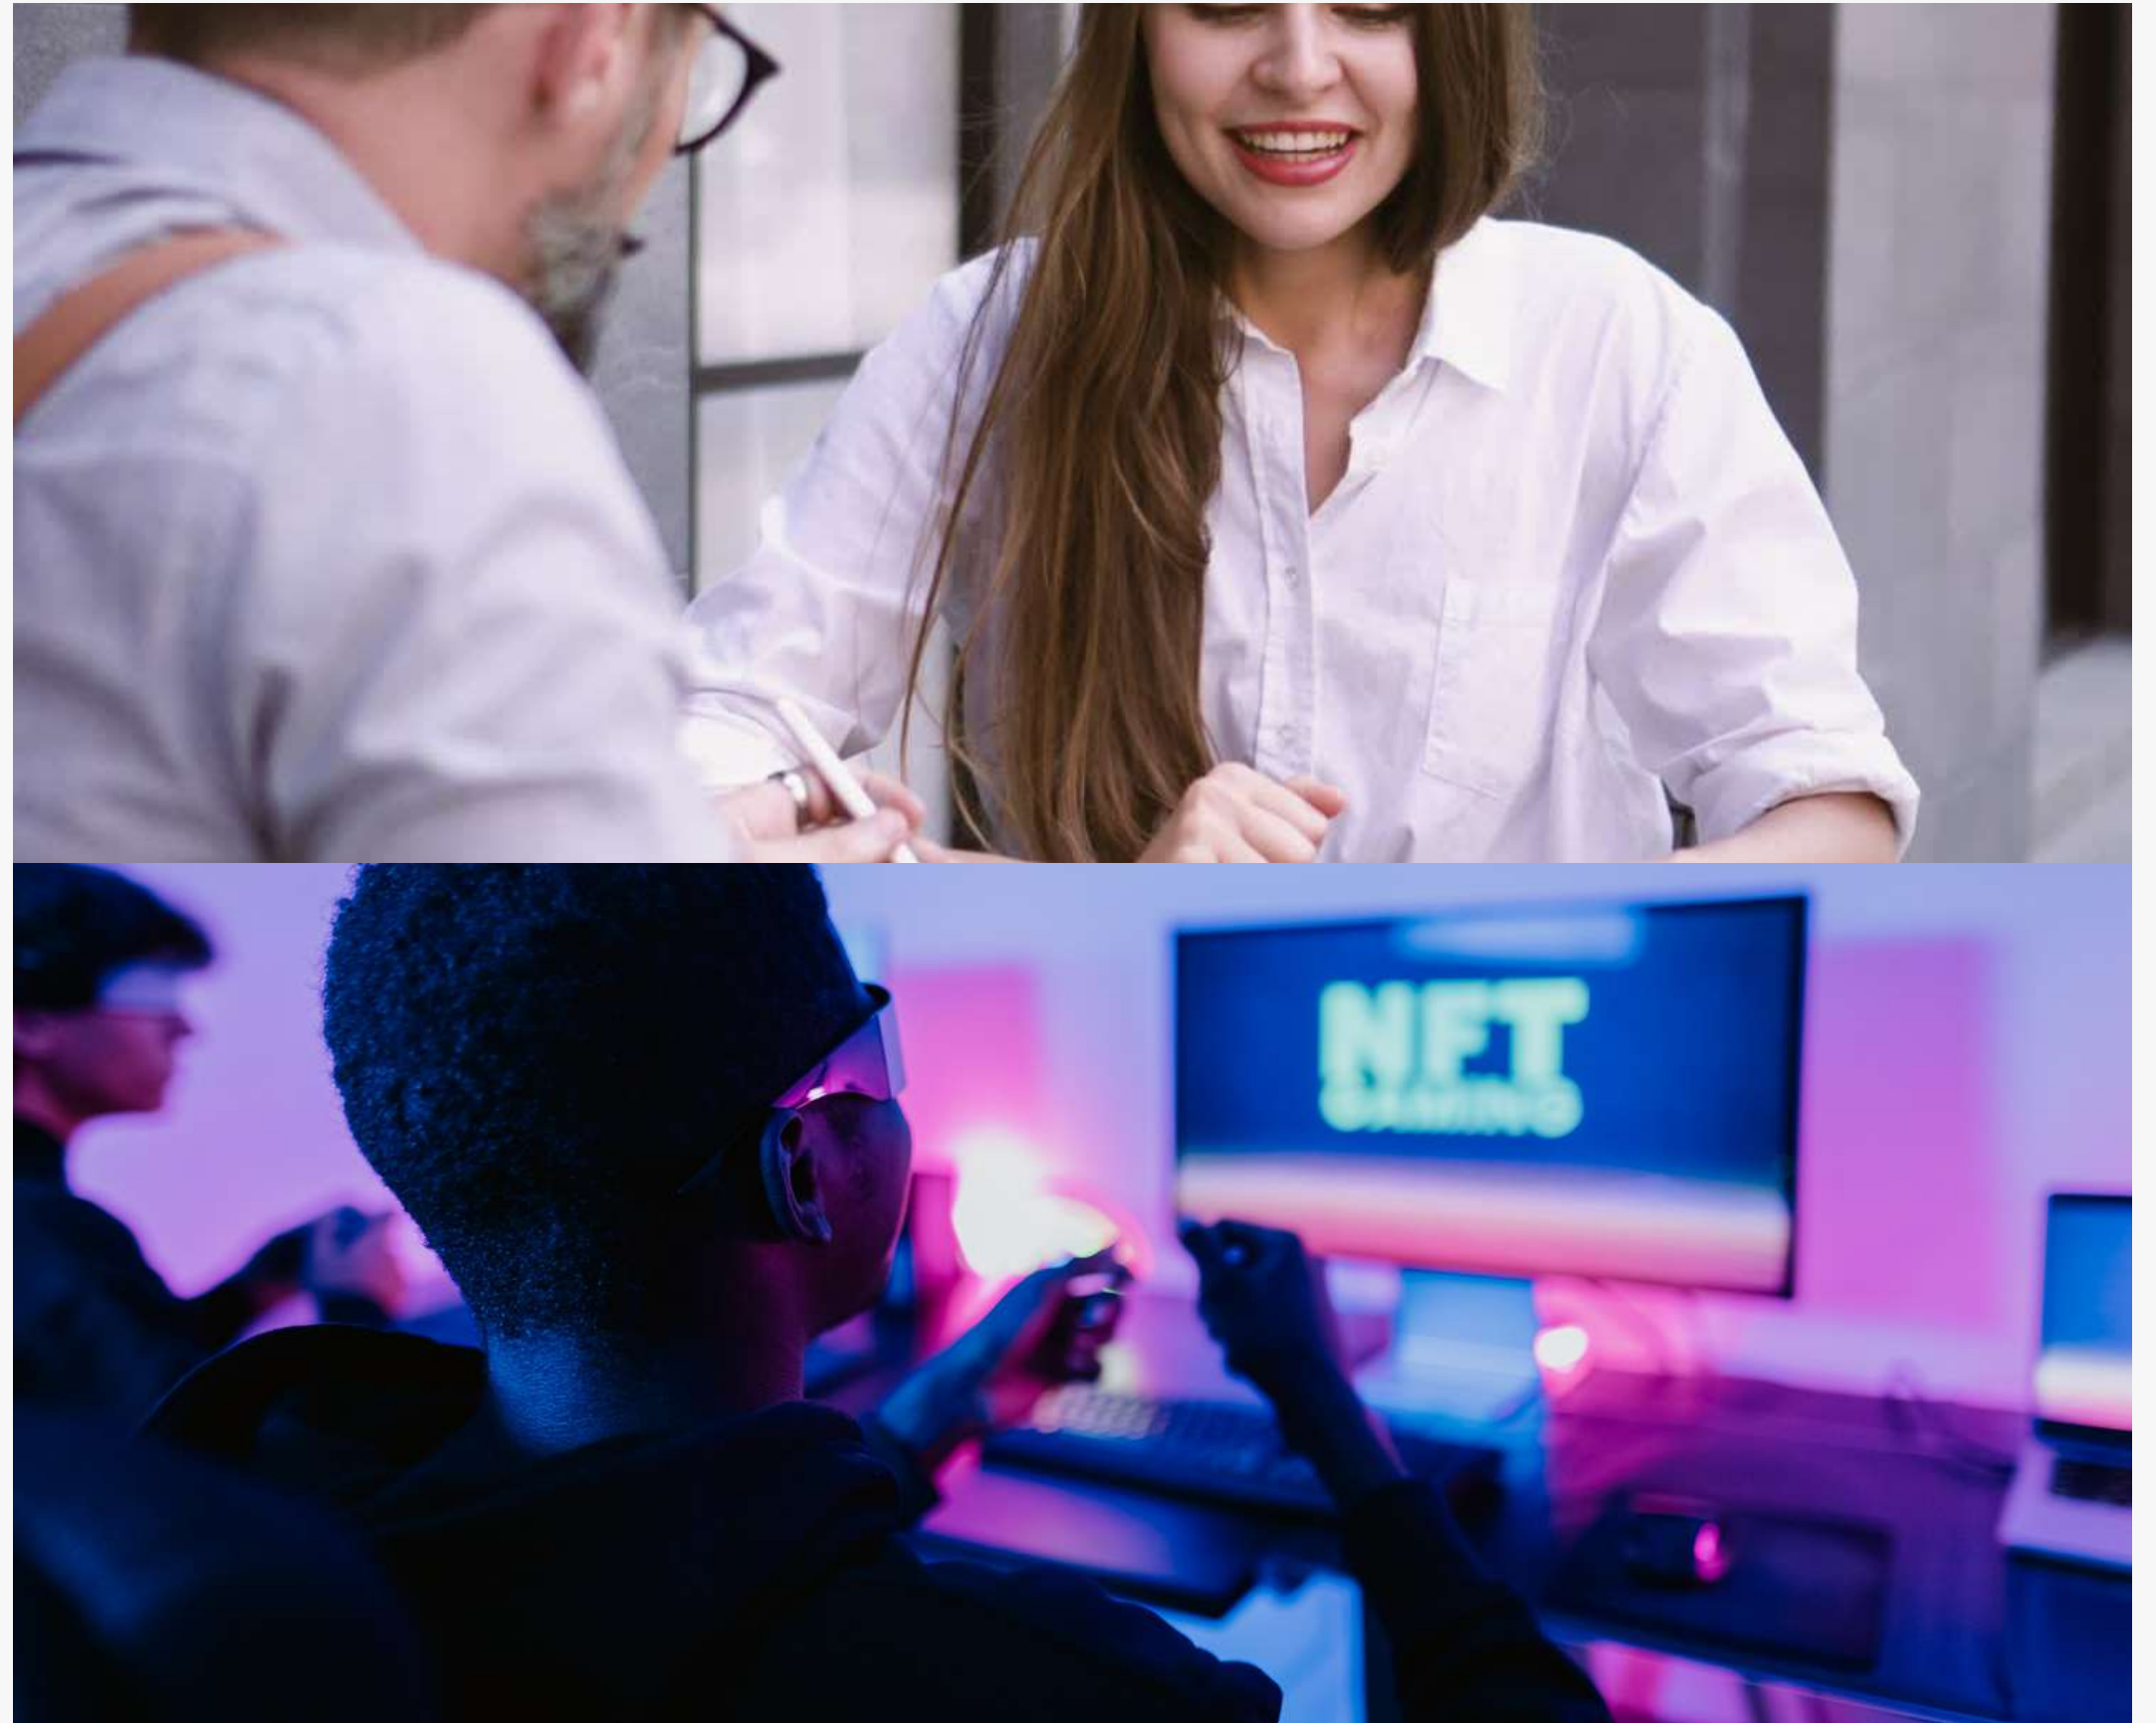

Embark on new ventures with our incubator, nurturing the next generation of decentralized applications and blockchain projects.

Rent NFT Marketplace:

Explore, rent, or lease digital assets in our bustling marketplace, tapping into the vast potential of non-exchangeable tokens.

BENEFIT

Makeverse offers a seamless fusion of gaming and investment, providing stakeholders with diversified NFT opportunities, robust returns, and a thriving community in the metaverse.

THANK YOU
